Reports/Updates

Treasurer Report

- No report due to Keir Johnson's resignation from role.

Open business

Annual Meeting

MOTION: Motion to hold the annual meeting via Zoom in light of current pandemic conditions (Grant/Rodrigues): **motion carries (unanimous).**

- Discussion of proposed agenda and presentation. A key point to be presented is programmatic and financial planning for a full time lead organizer position. The board discussed ways of sharing vision, context, and options for going forward.

MOTION: Motion to approve revised budget for presentation at the annual meeting. (Ashby/Grant): **motion carries (unanimous).**

Music Ministry Task Force

- Planning for this is still under way.

Nominations

- It has been very difficult to fill open positions this year. The Governing Board Treasurer position is still open. A current board member may be able to cover it, but we would still be short a position on the board.

Respectfully submitted by Liz Rodrigues, clerk
